

WOLF WARRANTY

Wolf manufactured products are warranted, under normal use and/or service, to be free from defects in material and workmanship for a period of twelve months from the original date of shipment by Wolf. The evaluation and determination to repair or replace defective part or parts, will remain the sole right of Wolf X-ray. All repairs and/or any replacements made under warranty are F. O. B. factory shipping point.

Purchaser's sole remedy for any defect is for repair or replacement pursuant to the foregoing.

Labor costs are not covered by this warranty, unless the product has been returned by the distributor to the Wolf factory, and the parts in question have proved to be defective as determined by Wolf. All freight costs associated with returning product to the factory must be prepaid. A Wolf return authorization number must be obtained prior to any enforcement of this warranty and/or any returns of product. This number can only be issued by Wolf Customer Service personnel.

Product that has been improperly installed or altered in any way is not covered by this warranty.

Variable transformers, ballasts, switches and Plexiglas panels will be replaced provided notification of defect is received and confirmed by Wolf within 90 days of shipments.

This warranty is in lieu of all other warranties, expressed and implied, including warranties of merchantability and fitness of purpose.
